Vaccines

Recommended vaccines for visits to China under 1 week are dTP-IPV and Hep A (fhi.no).

Visa application

It is required for all to apply for a visa to enter China. The application must be sent to the Chinese embassy in respective country, and it will take 3 to 5 days, depending on type of service you shall require. The application can be submitted, and a visa granted up to two months prior to your visit, to assure sufficient flexibility. Nordic Aqua will issue a general invitation letter with a reference number to use when applying. You do not need to meet up at the embassy in person, neither to deliver the application, nor to pick up the passport after the visa has been granted if you arrange with delivery services.

To simplify the application process, we are cooperating with CTHI Visa services, which is available to all Scandinavian countries. We would be glad to provide assistance during the visa application process, which must be completed at least 2 weeks before the visit.
